

Consultants Link Principles and Values

Consultants Link Principles

Strong successful business relationships are the “foundation” for Consultants Link business

Successful business relationships depend on the mutual trust, respect, and confidentiality of the respective parties to the relationship. Consultants Link expects Premiere Consultants to honor its clients, each other, and the personal and the business relationships of other consultants. (See Consultants Link Premiere Consultant Honor Code)

Consultants Link subscribes to a strong commitment to practicing ethics in all relationships and dealings with clients and consultants. Premiere Consultants embody and commit to Consultants Link’s strong ethical standards of care and conduct in all client and consultant relationships and dealings. (See Code of Ethics)

The quality and value of Consultants Link is directly related to how we approach and deliver on meeting client expectations. Customer satisfaction is essential for Consultants Link’s business to be respected, to grow and to be profitable. Nurturing and maintaining satisfied clients is critical to attaining Consultants Link’s vision of being perceived as a dependable, reliable, and independent workforce that the global business community can rely on to meet its demand for premium value labor and resources. As such, Consultants Link maintains a Client customer satisfaction guarantee policy. Customer satisfaction drives and permeates everything in how we approach, deliver and how our performance and compensation are measured in our client dealings. Premiere Consultants commit to striving toward delivering the highest quality customer satisfaction to our clients and the responsibilities we assume in meeting customer expectations.

Consultants Link adheres to the highest standards of professional and business excellence in all client dealings. Consultants Link will only recommend qualified Premiere Consultants and the most appropriate resources necessary to meet the client’s objectives.

All Consultants Link Premiere Consultant consulting business MUST be considered “Found Money” by Premiere Consultants. Found Money is the business equivalent of unexpected, and unanticipated revenue. At the core of “found money” is a Client customer satisfaction guarantee. Premiere Consultants will only be paid consulting fees for services performed that are paid by Client. Consultants Link assumes no liability for “disputed”, “unsatisfied” and “unpaid” Client fees for Premiere Consultant services performed. Consultants Link will make reasonable efforts to collect amounts due for Premiere Consultants services performed to satisfied clients.
